**2014 - End of Season**

**About the Family Ties List**

**Who's included in the list**

- Major league players, managers, and coaches on 2014 MLB teams and minor league players in 2014 who have a relative currently or formerly in professional baseball, or was drafted by an MLB organization
- In addition to major league affiliated teams, Mexican League and Independent League players are included
- The list was prepared after the completion of the 2014 regular season, so that full-season rosters were considered.

**Who's not included in the list**

- Former major league players, managers, and coaches whose baseball relatives are not currently active in professional baseball
- Current professional players, managers and coaches whose relatives have only played college baseball
- Major league scouts, owners, executives, umpires, and broadcasters, unless they are a relative of a 2014 player.

**Other notes about the contents of the list**

- Current major leaguers in 2014 are in green color font.
- Former major leaguers prior to the 2014 season are in red color font.
- Relative's Last Org and Relative's Last Year columns refer to playing careers only. They may indicate a Minor League, Independent League, or Mexican League season, if in fact the player finished his career at that level.
- In some cases, a Relative was not a player, in which case the role (executive, scout, broadcaster, etc.) is shown in the Relative's Last Year column.
- When an asterisk appears with Relative's Last Year, it indicates the MLB draft year of the player who did not actually sign with the organization that year.
- When an asterisk appears with the 2014 Major League Appearance indicator, it denotes the player made his major league debut in 2014.
- Relationship types include brothers, fathers, sons, grandfathers, grandsons, uncles, nephews, cousins, brothers-in-law, fathers-in-law and distant relatives.

As an extension of the **Family Ties** book, "**Baseball's Relatives**" (<http://baseballrelatives.mlblogs.com/>) on the ML Blogs Network is a website specifically devoted to emerging stories, new information, and expert commentary about the many family ties in baseball. The site is sponsored by TheTenthInning.com.

The latest **2014 Family Ties** list (<http://baseballrelatives.mlblogs.com/family-ties-2014-season/>) can be found on the "Baseball's Relatives" website.

**Errors and Omissions**

While it is the intent to make this list comprehensive, there are most assuredly some undiscovered player relationships.

Please contact Richard Cuicchi at [richard@thetenthinning.com](mailto:richard@thetenthinning.com) for any errors or omissions.
